

Finding a tenant has never been easier!

Discover DigiRENT,
the revolutionary digital
rental module!

Empowering real estate professionals through innovation

Designed for Immomig® CRM users, DigiRENT draws on more than 20 years of IMMOMIG SA's expertise. A company recognized for its innovative real estate solutions. DigiRENT ensures performance and reliability, streamlining your rental management with confidence and peace of mind.

Innovation

AI revolutionizes rental management by automating key tasks:

- ✓ Generation of customized property descriptions
- ✓ Automatic suggestion of property amenities
- ✓ Automatic analysis of applicant's supporting documents
- ✓ Automatic suggestion of the best application

Time saving

No more time-consuming tasks! Automation frees up your time so you can focus on high-value tasks and optimize your rental management.

Security

Your data is stored on secure servers in Switzerland, guaranteeing optimum protection. What's more, sensitive information on prospective tenants is automatically deleted after 6 months.
